Johannesburg

Johannesburg is one of Africa's biggest and most vibrant cities. It is the economic capital of Africa and the gateway to Southern Africa. Although not as famous as other South African destinations, there is plenty to do in Johannesburg and nearby Pretoria. The old city is a multi-cultural mixture of traditional medicine shops, Chinese restaurants, taxi ranks and ultra-modern skyscrapers. There are excellent museums, art galleries and organised tours of historical and political interest. The shopping is Southern Africa's best and the many restaurants cater for all tastes. The nearby township of Soweto is Johannesburg's most popular tourist attraction.

Overnight: Fairlawns Boutique Hotel & Spa

Set among lush acres of landscaped gardens you'll find Fairlawns Boutique Hotel & Spa, an urban sanctuary right in the heart of Johannesburg.

With close attention to detail and exceptional service, Fairlawns creates an intimate atmosphere where some of the globe's most vibrant personalities converge. The chic, upscale suites are individually decorated in varying themes ranging from Eastern influence to French provincial, each featuring every desired modern amenity. The hotel also caters to a variety of culinary tastes with an array of elegant dining experiences to choose from.

Located in Johannesburg - South Africa's largest city and gateway to the rest of Africa - Fairlawns is situated just 6 km from central Sandton, and 20 km from the Johannesburg city centre to offer the upmarket traveller a delicate mix of luxury and convenience. Established in 1997, Fairlawns, or "FBH" as it's come to be affectionately known by Managing Director, Michael Kewley, is a property proud in heritage and character. Previously a luxury private residence, it is only fitting that the property has transformed "herself" into the stylish hotel, with an air of eclectic sophistication, that Fairlawns is today.

Grand Chateau Suite

These 20 suites are the latest addition to the hotel with 2 interleading rooms. Again in true Fairlawns style, each room is individually decorated, echoing the original ideas of the Courtyard and Villa suites, yet with a modern contemporary twist. The building process and day to day energy preservation was a key factor considered in the building of this new wing of the hotel.

The public area on both levels creates a cozy atmosphere with lounges and large sandstone fireplaces. A lift provides easy access to the second level and the environment is wheelchair friendly.

Johannesburg

Johannesburg is one of Africa's biggest and most vibrant cities. It is the economic capital of Africa and the gateway to Southern Africa. Although not as famous as other South African destinations, there is plenty to do in Johannesburg and nearby Pretoria. The old city is a multi-cultural mixture of traditional medicine shops, Chinese restaurants, taxi ranks and ultra-modern skyscrapers. There are excellent museums, art galleries and organised tours of historical and political interest. The shopping is Southern Africa's best and the many restaurants cater for all tastes. The nearby township of Soweto is Johannesburg's most popular tourist attraction.

Apartheid Museum

The Apartheid Museum opened in 2001 and is acknowledged as the pre-eminent museum in the world dealing with 20th century South Africa, at the heart of which is the apartheid story.

The Apartheid Museum, the first of its kind, illustrates the rise and fall of apartheid.

An architectural consortium, comprising several leading architectural firms, conceptualised the design of the building on a seven-hectare stand. The museum is a superb example of design, space and landscape offering the international community a unique South African experience.

The exhibits have been assembled and organised by a multi-disciplinary team of curators, film-makers, historians and designers. They include provocative film footage, photographs, text panels and artefacts illustrating the events and human stories that are part of the epic saga, known as apartheid.

A series of 22 individual exhibition areas takes the visitor through a dramatic emotional journey that tells a story of a state-sanctioned system based on racial discrimination and the struggle of the majority to overthrow this tyranny.

For anyone wanting to understand and experience what apartheid South Africa was really like, a visit to the Apartheid Museum is fundamental.

Cape Point Tour Full Day

Highlights of a trip down to Cape Point include; one of the world's most spectacular drives, Hout Bay, Chapman's Peak, Noordhoek Beach, the Cape Point Nature Reserve, two lighthouses on the tip of Africa, Boulders Penguin Colony, Simonstown, Kalk Bay and the Kirstenbosch Botanical Gardens.

Circe Launches Seal Island Cruise

Circe Launches Seal Island Cruise has a duration of between 40 and 60 minutes. Calypso, is the only glass bottomed open motorboat in South Africa, designed for passenger comfort and safety, with ample outside deck seating, upper deck viewing and comfortable inside cabin seating. During good visibility, passengers are able to get a first hand view of the kelp forests and the abundant sea life at Duiker Island/Seal Island. The boat's powerful engines enable crew to bring the vessel within metres of the island, for a really close up view of the Cape fur seals in their natural environment.

Boulders Beach

Boulders Beach in Simon's Town is ideal for kids as immense boulders shelter the cove from currents and large waves - but please always take care. It is a rare pleasure to swim with the penguins but don't touch or feed them. They might look cute and cuddly but their beaks are as sharp as razors and if they feel threatened they have no qualms about nipping the odd finger or nose.

Kirstenbosch Botanical Gardens

On the lower slopes of Table Mountain, the beautiful Kirstenbosch Botanical Gardens showcases some of the Cape's rich flora. Taking centre stage here is the unique 'fynbos' vegetation. Those who work up an appetite while exploring this garden paradise can visit the restaurant or tea room, which are fully stocked with delicious meals, yummy treats and refreshing beverages. In summer, Sunday music concerts provide sunset entertainment. Kirstenbosch is rated as the seventh best of its kind in the world.

GOLD Restaurant

GOLD Restaurant is a vibrant pan-African experience offering a set Cape Malay and African menu, together with live entertainment and djembe drumming 7 nights a week. Operating from an old warehouse building and a modern function venue, GOLD offers visitors a sophisticated African experience.

Enjoy an award-winning, 14-dish tasting menu inspired by ingredients and textures from all over the African continent. Be seduced by live dancing and singing to the rhythmic beating of African djembe drums. Feel part of their tribal community with some optional pre-dinner drumming under the guidance of an experienced facilitator.

Zimbabwe

A nation of spectacular natural beauty, friendly people and rich culture, Zimbabwe's status as one of Africa's leading safari destinations was dampened for years by its political instability. But now that the country is transcending its strife and returning to a state of equilibrium, it is once again emerging as a vacation highlight of the continent.

Victoria Falls – known to locals as 'The Smoke That Thunders' – is one of the seven natural wonders of the world and the sheer power of this massive body of water plunging into the Zambezi Gorge is awe-inspiring and unforgettable. Lake Kariba, with its game-rich shores and islands, is an idyllic safari spot featuring mind-blowing sunsets; Hwange National Park is known for its huge herds of elephants; and a kayak trip down the Zambezi through the Mana Pools National Park will appeal to the intrepid traveller, providing close encounters with crocodiles, hippos and a host of other wildlife.

The Boma Restaurant

The Boma – Dinner & Drum Show is a "must do" Victoria Falls dining and entertainment experience, specializing in traditional African food, drumming and dancing. The food is cooked and served in the style and quantity of a lavish feast, including irresistible desserts.

On arrival, you are dressed in a chitenge (traditional sarong) and welcomed into a vibrant atmosphere in which the tantalizing aromas of local dishes and game meat on the braai (barbecue) fill the restaurant, which is partially open to the star-filled African sky.

Your meal begins with a mouth-watering platter of starters whilst the buffet includes soup from the campfire, a range of salads, game meat cooked on a braai (barbecue), followed by desserts. Vegetarian options are also available, as well as local dishes such as peanut butter spinach
